

FOOD & FUN TIMES IN BOONE

COME BACK SHACK

\$- This is a favorite guilty pleasure; great burgers, drive through or dine in.! Get xtra come back sauce and order "the local" as an upgraded beef offering; good veggie burger too, with fried green tomato on top.

BOONESHINE BREWING

\$- This great local spot is very close to the cabins; you can sit outside, bring your dog and enjoy a local brew. Food truck also optional during busy times. Check out the merch in the back.

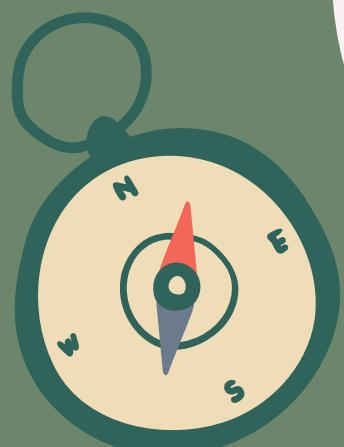

LOST PROVINCE BREWING

\$- Lovely Brewery downtown on King Street, usually a wait, but put in your name and shop at Mast General or the App Antique Market while you wait (or have a drink at Horton's Rooftop and Downstairs Bar; local hotel offering views on King Street)

PEPPERS

\$- perfect spot for a casual lunch, our favorite is a bite of the chicken teriyaki sandwich, an order of the mud pie, and a stop at the delish salad bar.

MAKOTO'S JAPANESE

\$\$ - Fun typical Japanese Steakhouse and a staple in Boone. A perfect place to take the family and have some amazing laughs. The staff is always so pleasant, and the wait time usually isn't too bad.

BOONE SALOON

\$ - Great bar with a small, old school game room downstairs (don't get mad if you lose some quarters); fun for everyone in the family, located on King Street

CAPONE'S PIZZA

\$- Pick up and take out. Sometimes they don't answer the phone, but the pizza is good and worth the visit; GF options also.

WOODLANDS BBQ

\$- located in Blowing Rock, they have some great views and call ahead for live music schedule.

CASA RUSTICA

\$\$- Italian, my husband grew up working here (for small kids, ask to sit in the back near the bar, you may be able to get the whole area), ask for Liz or Rick, 2nd generation owners.

OVER YONDER

\$\$-Great little restaurant, outdoor and indoor dining, with local art on the wall; located in Sugar Grove - you can stop and shop along the way.

ARTISANAL REASTURANT

\$\$-Artisanal is a treat, fabulous cellar and open seasonally. The ambiance is wonderful, the staff is very attentive. Call well in advance for availability, or check opentable.

STICK BOY BREAD

\$/\$\$- Beyond Delish! Try to get some warm blueberry bread. You know what, scratch that, everything is yummy - Gluten Free options also.

DANIEL BOONE INN

\$\$- Traditional Breakfast, have to go at least once. Family style meal with some amazing cinnamon biscuits. Fun fact: The Inn is one of the oldest buildings in Boone having opened in 1959!

PROPER

\$\$- Homestyle Southern Cooking. Winner of 2015 certificate of excellence for Trip Advisor. Have porch and Terrace Dining Thursday-Sunday.

SHOPPING

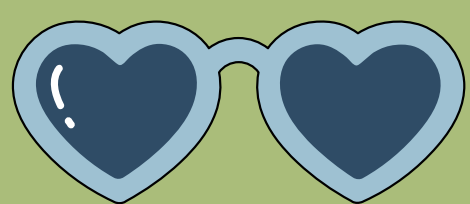

MAST GENERAL STORE

A Boone Classic located on King St. From hiking apparel and cute clothing, to fresh popcorn and a candy barrel, Mast Gen has something for you. It's worth a visit, :)

ANNA BANANA'S

My favorite store in Downtown Boone (and they're sustainable). Dance for a 10% discount on lot's of preppy, thrifted clothing and don't forget to visit THE BACK, a retro-vintage version of Anna Banana's, located just down the hall.

THE HAPPY PLACE

Locally owned and operated, the Happy Place is located right in the heart of Downtown Boone. They have lots of cool posters (I always grab one when I'm there), groovy bell bottom pants, retro stickers, and are known for their hippie vibe.

APP. ANTIUQE MALL

Located on King St., the Appalachian Antique Mall is a must see. It's got over 3 levels filled with antiques, and quite literally has something for everyone. A great place to explore, and the staff is so kind and friendly. We highly recommend!
